

## Forward-looking statements

Some of the information in this annual report may contain projections or other forward-looking statements regarding future events or other financial performance, including forward-looking statements and information relating to our company that are based on the beliefs of our management, as well as assumptions made by and information currently available to our management. When used in this annual report, the words 'estimate', 'project', 'believe', 'anticipate', 'intend', 'expect' and similar expressions are intended to identify forward-looking statements. Such statements reflect our current views with respect to future events and are subject to risks, uncertainties and assumptions. Many factors could cause the actual results, performance or achievements to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements, including, among others, adverse changes or uncertainties in general economic conditions in the markets we serve, a drop in the gold price, a continuing strengthening of the rand against the dollar, regulatory developments adverse to DRD GOLD or difficulties in maintaining necessary licences or other governmental approvals, changes in DRD GOLD's competitive position, changes in business strategy, any major disruption in production at key facilities or adverse changes in foreign exchange rates and various other factors.

These risks include, without limitation, those described in the section entitled 'Risk Factors' included in our annual report for the fiscal year ended 30 June 2008, which we filed with the United States Securities and Exchange Commission on 12 December 2008 on Form 20-F. You should not place undue reliance on these forward-looking statements, which speak only as of the date thereof. We do not undertake any obligation to publicly update or revise these forward-looking statements to reflect events or circumstances after the date of this report or the occurrence of unanticipated events.
